

Focused on innovation, growth, and customer satisfaction,
Bluestar Global Logistics is the premier global logistics provider.
100% Australian owned.

Global Reach Local Touch

WHO WE ARE

Bluestar Global Logistics started as a small family transport business back in 1987. Today, our vast global operations offer national door-to-door deliveries, international freight forwarding, end-to-end logistics solutions, and 3PL warehousing, all in one place.

Our vision is to be the most recognised Australian global logistics company. Sustainability is central to our vision, and we are committed to eco-friendly supply chain best practices that reduce environmental impact and contribute to a greener future.

Every day we pursue excellence by fostering a culture of innovation, investing in our people, continuous improvement, and prioritising customer satisfaction. Our team is focused on delivering complete logistics solutions that meet our customers' needs and surpass their expectations.

INTEGRATED SUPPLY CHAIN

Our integrated supply chain solutions drive high performance by optimising every stage of the value chain. From supply chain consulting to eCom solutions and distribution, we enable seamless efficiency and maximum returns across the supply chain.

- ✓ End-to-End Order Management
- ✓ Supply Chain Architecture
- ✓ Global & Domestic eCom Solutions
- ✓ Supply Chain Consulting

COMMITTED TO A SUSTAINABLE FUTURE

Bluestar Global Logistics recognises the importance of corporate, social and environmental responsibility underpinned by ethical conduct. We will continue to advance policies supporting sustainable logistics, 3PL green warehousing, workplace diversity, and community presence.

Our environmental policy seeks to integrate a culture of sustainability and green logistics into all functions of the business. We are committed to protecting the environment for future generations and prioritising environmental protection.

Our fleet of electric trucks produces zero tailpipe emissions. This innovation reduces air pollution and greenhouse gas emissions, contributing to the fight against climate change.

“ Fueled by passion and driven by purpose,
I am committed to the success of our customers,
partners, and staff. Together, we build a future where
every triumph is shared and every challenge is met
with unwavering dedication. ”
